• To enter all the talks of all chairs and speakers you need to Add related lecture (the maximum possible number of talks is indicated in brackets):

Related Lectures

- **Symposia:** 4 speakers; chaired by 1 or 2 persons; each chairperson must give a talk in her/ his symposium, i. e. is also among the four speakers.
- **Special Trainee Symposia**: 4 8 speakers; chaired by 1 or 2 persons; each chairperson must give a talk in her/ his symposium, i.e. is also among the speakers.
- **Technical workshops**: approx. 4 6 speakers for a 2 3 hours workshop; chaired by 1 or 2 persons; it is recommended that no more than 1 chairperson be among the speakers
- You must now enter all the information about the speaker, the abstract of the possible presentation and the key publications in the pop-up window
- Proceed with the remaining presentations by the other speakers
- Once you have entered the information for your contribution, click on Apply changes and check your contribution at the bottom of the page; you can still edit your contribution if you need to

- Please note, that you need to click save submission at the bottom of the page to hand in your contribution successfully. Otherwise, your submission will <u>not be</u> considered in the review process and/or programme preparation.
- You can view your contribution in the tab Submission; here you can also see if you have successfully submitted it by checking the status
- You can submit one Symposium, one Special Trainee Symposium as well as one Technical workshop

Thank you for your submission in line with Glia 2025!
